Allergen information

Spring/Summer Menu 21

V1.8

02.08.2021

At Wildwood we take the safety of our customers very seriously. The information provided on these pages refers to the allergens contained in the ingredients which make up the dishes found on the Spring/Summer menu 21.

In most cases we will be able to modify dishes by removing ingredients or by replacing them with others. Please ask a member of our team who will be happy to help mix and match ingredients to suit your dietary requirements. Please be aware that whilst every care is taken to ensure that food prepared in our kitchens remain free of allergens the chefs and manufactures of products handle other items. As a result, there is a chance that items may contain a trace of other ingredients not noted on the information sheet.

Note that whilst peanuts are not present as an ingredient in any dishes, they are used for special menu items and are handled in our kitchen with the greatest care.

Items marked **(F)** – These items are fried as part of the preparation or cooking process. Due to offering a such wide selection of menu items the oil in our fryers will contain traces of allergens including gluten, nuts, peanuts, dairy, soya, sesame, fish, mollusc, crustacean, lupin, egg, mustard, sulphates and celery.

**For dishes served with fries and chips we offer an alternative which are oven baked, please ensure your sever is notified if you have a food allergy, intolerance or preference.**
